

mirror & glass

On the Cover

This exquisite engraving features classic Chinese dragons surrounding the sun. This symbolizes peace, health and prosperity. It is engraved in mirror and mounted in a backlit frame using electroluminescent technology. The frame provides light emitting from the image. This creates an original blend of technology and artisan skill.

As shown above artwork may be engraved in glass.

These dragon ornaments are 4" in diameter and are cut from 1/4" thick mahogany.

engraved dragons

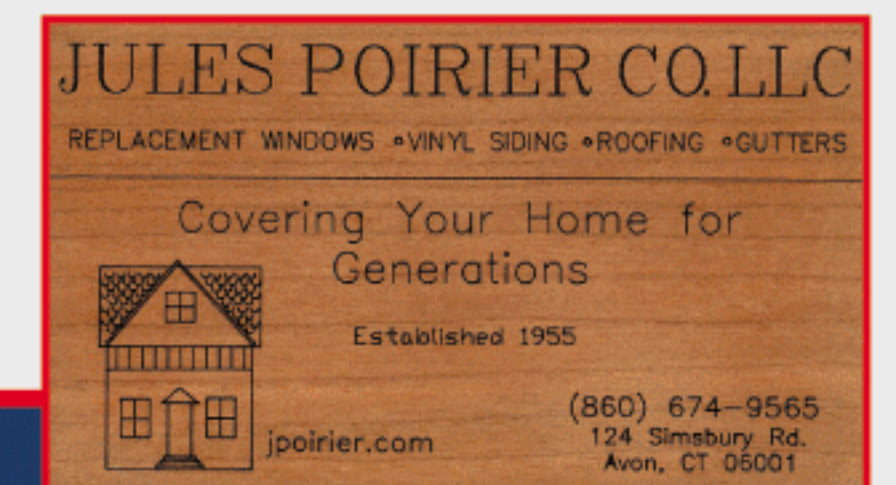

Also cut from 1/4" mahogany is this incredible Celtic dragon. The design demonstrates the amazing detail produced by laser machining.

4" sq. decorative panels

Another product by OBI is custom engraved wooden business cards. Do you want something unique to give to those important clients? A wooden business card is sure to make a lasting impression. We can take the design from your existing business card or we can create a totally new design for you.

business cards

& keychains

Custom keychains are also available from OBI. They can be made with any logo, design or text. The dragon shown above is the Drexel University logo.
